

Bear Creek PONY Baseball League – Q & A

Q: *What is the rain out number and what should I do if it starts to rain?*

A: First call the rain out number **(407) 948-1610** to see if the fields are closed. Then if you are not contacted by your coach go to the field for practice or game. If there are cloudy skies where you are it might be clear at Bear Creek. Please do not call the county building.

Q: *I would like a refund on my registration, what should I do?*

A: Click on the Registration Page of the websites. Download the Refund Request form and follow the directions. All instructions and eligibility requirements are on the form.

Q: *I have problems with or haven't received my picture day photos, what should I do?*

A: Any problems or questions with the 2008 Fall pictures please contact Richard Gump at [Legends Sports Photography](#). Their phone number is (407) 306-8585. Please make sure and tell him you are from the Fall 08 Bear Creek PONY Baseball league.

Q: *I would like to coach at Bear Creek. Who should I contact?*

A: Please click on the Division where you would like to coach, and contact the Director.

Q: *Which division would my child be in at Bear Creek?*

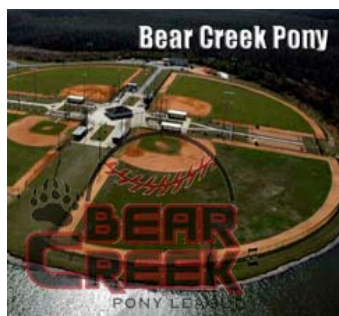

A: Please click on Age Key on the registration page to find out which division he/she will be in.

Q: *Registration is closed. Can my child still register and play?*

A: After registration is closed check the Age Key to find your child's division. Then contact that Registrar to be added to the waiting list. You will need to provide your child's name and a number where we can contact you when a slot becomes available. At that time your child will be put on a wait list. The list is kept and players are taken in the order they are received by the first to the most recent to contact the director. You pay nothing now, but when and if a spot opens up during the season, there are no guarantees, we will take care of all the payment and paperwork then.

Q: *I would like to volunteer for a board position. Where do I go?*

A: Please contact one of the Executive Board Members below using the links to their e:mail or call **(407) 948-1610** and leave a message. Some one will contact you with the positions that are open at this time.
