

September 2, 2011

To All Directors, Coaches, Players and Parents:

I would like to welcome you as we begin a new season as Bear Creek PONY Baseball. At this time, I would like to take the opportunity to remind you of a few things:

- 1) No personal coolers are permitted in the stands or in the dugouts. Please support the Concession Stand!
- 2) Only registered players are allowed to practice on Bear Creek fields and they must be on a team roster for the current season.
- 3) The last team in each dugout needs to dump the water coolers and return them to the Concession Stand.
- 4) Teams are given helmets to use. These are the property of Bear Creek PONY Baseball. Please do not throw, kick or otherwise destroy these helmets.

Thank you for your support of Bear Creek PONY Baseball and for your cooperation in continuing to make Bear Creek the best place to play baseball!

Sincerely,

*Lynette Santana*  
President
